

Project Examples

a) Sho-Ka-Wah Casino.

Parrague Development represented the Hopland band of Pomo Indians, directed the master planning, design for all land use on the reservation. Carlos Parragué directed and coordinated development of all infrastructure on tribal lands including new well, water treatment plant, water and sewer distribution. He directed the code compliance upgrade and renovation of the current 20,000 S.F. gaming facility and development of a 10,000 S.F. expansion. Parrague is currently directing the development of the new Sho-Ka-Wah Casino, an \$80 million Native American gaming casino, convention facility and 500-room hotel.

b) Rainforest Café

Rainforest Café is a highly themed 300 to 700-seat restaurant chain that opened its first unit in 1995, operating 42 units worldwide. Parragué was responsible for the design and construction and opening of 40 units over 4 years, on which 12 have been located overseas in Hong Kong, England, France, Canada, Mexico, Singapore and Mainland China.
